<p><b><u>New Stencils:</u></b>          Specify what the inscription should read. Please indicate upper / lower case characters. If a logo or other artwork is to be included, please supply artwork or drawing as it is available to you. Where required we will enhance or produce artwork for you.</p> <p><b><u>Size / Layout of mark:</u></b>          Indicate the dimensions of either the available area for the mark, or the desired mark itself.          We will size the inscription accordingly.          You may also send us a sample part with indication of the mark area.          Where necessary, please provide a brief hand sketch of the desired mark.</p> <p>You may also send us a sample stencil.</p>	<p><b><u>Framed / Insert Stencils:</u></b>          If framed stencils are intended for use on other than TUS marking equipment, please specify the marking equipment (Model and Manufacturer) , as well as the required frame size (sample).          TUS supplies adapter kits, where needed.</p> <p><b><u>Cap Stencils:</u></b>          Please advise diameter or length/width of cap.</p> <p><b><u>Sheet Stencils:</u></b>          Please advise desired sheet size and how many inscriptions per sheet.</p> <p><b><u>Reorders:</u></b>          Please advise stencil number and quantity.          The stencil number is shown on each TUS stencil.</p>
